

■ SIG MEETING AT 2005 ORACLE OPEN WORLD SAN FRANCISCO ■

■ Date ■	Saturday 17 September 2005
■ Time ■	3:20 pm - 5:30 pm
■ Location ■	Moscone Center West Building – Room 3001

■ Real World 11i Form Customizations ■

Join the OAUG Customization & Extension SIG at Open World 2005 for a mini forum presented by Susan Behn of Solution Beacon.

Susan will follow up her very popular and informative OAUG Connection Point 2005 presentation on Form Development Guidelines with a real time Customization of an 11i Applications Form.

If you have always wondered how to customize an 11i application form but were afraid to ask how..dont miss this presentation.

■ **Preview of the Future Development Environment in the E-Business Suite** ■

Adam Naser will lead a question and answer session about the future direction of Oracle E-Business Suite from a developers standpoint. This discussion will include a high level preview of the future E-Business Suite Development and Customization environment.

This will be a great chance as a developer to preview and ask questions about the future E-Business Suite Development and Customization environment.

Adam Naser is a Director of Product Strategy at Oracle.
